2. Contract No. PR-8200 with the subject contractor provides for engineering, design, production, test and delivery of three (3) Photographic Reconnaissance Systems in connection with the OXCART Program. This Amendment No. 9 has been drawn to allocate additional funds to the contract as a further installment on the total estimated contract price.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

6. Concurrence in Amendment No. 9 to Contract No. PR-8200 is recommended.
